Tammy Will Always Live in Our Hearts

It is the deep and heart-felt desire of the Senior Class of 1983 to submit this page as a lasting memorial to our dear friend Tammy Payne.

And who will walk a mile with me
Along life's weary way?
A friend whose heart has eyes to see
The stars shine out o'er the darkening lea
And the quiet rest at the end o' the day,
A friend who knows and dares to say
The brave, sweet words that cheer the way
Where he walks a mile with me.

With such a comrade, such a friend,
I fain would walk till journey's end,
Through summer sunshine, winter rain,
And then? — Farewell, we shall meet again!

when
tomorrows
become
todays... and future expectations become realities—graduation, a job, college, a home—you assume new responsibilities.

Just as we do. Because when customers need electric service, we are obligated to provide it.

And we always knew that you and your classmates might one day be our customers. That's why we started planning for today ten years ago, so that we could provide electricity for the lifestyle you choose.

We hope we can supply electricity for all your tomorrows, too.
